Privacy Policy

The protection of personal data is very important to us. We hope that the main points of our policy set out below will help you understand how Gold Quarry ltd* collects, uses and secures the personal information you provide on our website.

By browsing the website of "Gold Quarry ltd*", you do so anonymously. We do not collect personal data, including your email address. However, we do record your IP address (the Internet address of your computer) in order to obtain information about which parts of our website you visit and how much time you spend on them. But we do not associate your IP address with any personal information. In addition, through your browser, we automatically receive information about the type of computer and the operating system you are using.

In some cases, we may ask you to voluntarily provide us with personal information such as your email address and mailing address, such as when you subscribe to an email newsletter or when you participate in an online survey. Subject to the voluntary provision of such data by you, we collect it, but we do not disclose such data and do not provide access to third parties, except in cases where, based on law or a law enforcement order, we are forced to use this data when preparing the necessary electronic documentation.

If you want your data to be removed from our database, or if you have any questions about the operation of our site, send a message to our email address info@gold-quarry.com.

Terms of use

On the basis of the Federal Law of the Russian Federation of July 27, 2006 N 152-FZ "On Personal Data", I confirm that the personal data I specified during registration, namely: e-mail, as well as other information that I will inform "Gold Quarry ltd*", legal address: China, Beijing, Dongcheng, Liuyin Park, South Street 1, floor 7, communicated by me of my own free will and in my interest by filling out an electronic form on the website <https://gold-quarry.com/> for the purpose receiving services from the Society by information and newsletters, to process such data in any way not prohibited by law (including collection, recording, systematization, accumulation, storage, clarification (update, change), extraction, use, transfer (distribution, provision, access), depersonalization, blocking, delete, destruction), including to ensure the

performance of works and services by making direct contacts with me via various means of communication with and without the use of automation tools.

I hereby acknowledge and confirm that if it is necessary to provide Personal Data to a third party (including the Partners of the Company) in order to achieve the above goals, as well as when third parties are involved in the provision of services for the specified purposes, the transfer by the Company of its functions and powers to another person, the Company has the right to disclose information about me personally (including my Personal Data) to such third parties, their agents and other persons authorized by them to the extent necessary to perform the above actions, and also provide such persons with relevant documents containing such information. I also hereby acknowledge and confirm that this consent is deemed to be given by me to any third parties specified above, mutatis mutandis, and any such third parties are entitled to the processing of Personal Data based on this consent.

The period during which this Consent is valid is 1 (one) year and lasts until my withdrawal of the Consent, which I will have to provide in writing against signature on receipt to the authorized representative of the Company, with the requirement to stop processing the specified personal data (except for data subject to unconditional storage in accordance with the legislation of the Russian Federation), which must be executed no later than 60 calendar days from the date of delivery of the withdrawal of Consent. If within the specified period of validity of the Consent, I do not receive a withdrawal of the Consent, then this consent is automatically extended for another year. The number of renewals is not limited.
